

On behalf of the NSW K Day team, we would like to thank all associated clubs who supported this great initiative. We would also like to extend our appreciation to the parents, students, Instructors, sponsors and volunteers for their support - without you, the event would not have been possible.

K Day in Sydney has been a great success! However; the work for promoting karate and its inclusion in the Olympics does not end here.

Things you can still do to help;

1. Sign the petition and invite others to do so www.thekisontheway.com/supports
2. Once the videos are ready, we will forward them to you, so please share them far and wide!
3. Post up any videos and photos you have of the day on Facebook including on the Comp Karate Australia page www.facebook.com/CompKarateAus
4. Tell the world (via Facebook and other social media) how great K Day in Sydney was!

Thank you,

NSW K Day Team
